no problem for each. shouldn't i have been contacted if alfredo was selling things that belonged to me. . there are no statistics of cc mod, as each case is different.. sometimes defendant ask though they have had many violations in the interim. or are on a monitor, or have not served enough time. in my case officers experience they have never objected to a modification for anyone who has been in total compliance and has served 50%.. in fact the son of the investigator for the state attny just had his cc modified, there are violent felons that travel. Alfredo gave them my telephone book,, girls and celebrity numbers included and may have made statements. I decided to take the safe road and not travel this week. like running out the clock in a football game, just falling on the ball;

we will need back up documentation on each prior trip in case the USAO raises them as issues:  
who was seen in each place in connection to litigation and why the review of docs, etc can only occur out of state  
need any prelim analysis of J billing if done  
need any data on regularity of reducing c/c as matter of state discretion as to others  
need to know just what Alfredo withheld, gave if its likely source of new allegations

I canceled my travel plans so as not to give anyone an excuse prior to the sloman meeting. I would like to know , who from their side will be there. ? We should be prepared for Marie to make new allegations , as the Alfredo article appeared in the paper yesterday. history tells me , not a coincidence.
