we will need back up documentation on each prior trip in case the USAO raises them as issues: who was seen in each place in connection to litigation and why the review of docs, etc can only occur out of state

need any prelim analysis of J billing if done

need any data on regularity of reducing c/c as matter of state discretion as to others

need to know just what Alfredo withheld, gave if its likely source of new allegations

I canceled my travel plans so as not to give anyone an excuse prior to the sloman meeting. I would like to know , who from their side will be there. ? We should be prepared for Marie to make new allegations , as the Alfredo article appeared in the paper yesterday. history tells me , not a coincidence.
