hi jeffrey,

..i did some research about the escorial ceiling painting, i thought maybe i can find good details of it but i found only a few details in the internet and not that good. i know the artist name is pellegrino tibaldi, but i couldnt find any book about his paintings, and no book about el escorial at the library..i checked only "barnes&noble" and "strand" and they said they dont have any book about that.

i attached here the pictures i found in the internet..beautiful paintings even we cant see the real colours..

anyway..i'm excited about the project!

did you find more pictures of that, or is it posible to take pictures of it? if we cannot take pictures, maybe we can rebuilt the entire painting if we find all those parts of the painting..
