Jeffrey,

If I may add something in regards to Randy its my belief that he took on more than he can handle in this instance. He is a good nursery guy and if I can point out that on more than one occasion he has turned down supplying LSJ with material that Brinsley wanted to purchase which Randy felt these plants and trees would not survive on LSJ and he told me that he could supply them and would have taken your money but he values the client relationship that he has and would not risk that on something he knows would not work for you. So I feel that his heart was in the right place but unfortunately the talent level is not up to par.

Thank you
