Gary's email is not working but on the Boat Dock House, we were waiting to get CZM's initial response from our submittal on everything else before applying for the Dock House permit. The Dock House will require a Corps permit as well as CZM permit and Gary didn't want to cloud the issue at this time.

Here are 3 options for the boat dock entry. Option C has the 2 large Phoenix palms on either side of the statue.

I will also prepare 3D sketches as the next step.
