Forgot to tell you: The Florida corporation that bought the Dixie Highway property from Mike for just over the \$5+ million he owed Stonegate Bank was SGBK Properties. I looked it up and SGBK has the same address as Stonegate Bank. Apparently it is Stonegate Bank's corporation ("SGBK"), so the bank essentially bought it back for what Mike owed them on it.

One down for Mike. Now I hope he turns his attention to getting us out of the Reo Lane mess.
