Dear Jeffrey,

It has been a few months since we stopped working on the design of your bathhouse. I enjoyed the work very much, but more importantly, it allowed me the opportunity to work with you and Hasan. I learned a great deal and I want to thank you both for that opportunity.

Your overall vision and ability to try to bring the best out of those that were involved in this project has given me a better sense of what I need to expect if I am to succeed in the real world of Architecture.

I would like to ask for your help.

I know I will be an asset to any firm but getting to them is almost impossible. Can you recommend or help connect me with some of the firms you work with so that I can look for any opportunity to continue my growth in a field I truly love. I am not looking for a handout but an opportunity to interview and let my talent and enthusiasm speak for itself.

Any help or guidance would be greatly appreciated. Again, thank you for the great year of growth and exploration.

All the best,
Andrew Levy
