On Monday I sent this story Marta did for Zink Magazine to Joel and Faith, I got no response, then 2 days later (yesterday) I got a voicemail from Joel saying that they are dropping my other girl Amber Mitchell. I wonder if they are trying to tell me something? In hindsight I feel like I have failed these models, they were both doing better, making more money, etc. w their other agencies. Marta has already made about \$100,000.00 since leaving...Amber came over from NY Models and even there she was making about twice as much money. I think it was a failed experiment.
