Jeffrey,

Bruce Whitman from NY called me, he has found a New 2008 Bentley RL for sale, sticker is \$308,000.00

Sapphire Blue with Autumn interior, rear curtains also. I believe this is the Dark Blue you where going to paint the first S76B helicopter.

Bruce is only offering 85K for your Bentley as trade-in (2006 RL with 14,000 miles), I will check with Hugh Bates at Chariot's to see what real numbers are.

photos in attachment also:

let me know if you have interest?

thx

Larry
