Once again - it is was great meeting you!

I liked Jean Luc – he is really very French but I do not have a problem with it.

Sam (whom I am cc on this email) wanted to tell you that we are very sorry that we showed up in your house for second time empty handed! I agree with him – nonetheless, I am looking forward to next dinner(s) on us.

If you get bored in NYC or would like to meet some new talent there, just send Sam an email or call him at [REDACTED]

All best

Boris
