Jeffrey!

Hope all is well. Are you in New York now or still in Florida?

I told you about Gagosian, right? Everything's set for my move, I bought a one way ticket last week for January 11th. A friend and I will be staying at a great apartment in West Village. I'm completely and utterly super excited.

Hope to see you soon.

P.s. I'm attaching a picture my father took of me a couple of weeks ago. As you can see I'm sort of in a Veronica Lake period right now.
