Perfect excuse for me to come down and visit after the first of the year. Eduardo T was over for lunch on Monday, yesterday NY. Semi off the air after Sunday (Papua-Bali-Beijing) until Jan 11 when we go shake our fannies and ring the bell at NYSE. Trying to figure out if I want any profile vis a vis Hyatt. Maria is bucking for interview. How many times do you think she has been hit on ... and what is the batting average.
Have sat phone and sat dish so send an email and I can call you.

i'll fill in the names and pass on.. ; my new idea is instead of deciding where and how to allocate your own assets. why don't you and I consider a business to do it for ourselves and others.. A truly private wealth management, we could outsource trust and accounting functions , to jpm. and the time it would take for us to do our own thing, we could as my philosophy goes. do it just as easily with and for others. No one is better at examining and structuring real businesses than you, and I would suggest that with regard personal wealth issues , there are few if any with my level of expertise.. it could be fun... Idea in formation , but i thought i'd let you know
