I'm out of court at noon if you want to review any of the outstanding issues - I would follow Roy's intuition on any timing of an "appeal"

Well the conversation with marie went as you suggested it would, Now it is more clear that we need to have a SLoman / Bob Senior meeting. Sloman will leave in march, and we will be stuck with a new person and Karen Atkinson.. WE have settled the cases brought pursuant to the npa. I have complied with all conditions. I would like to commute the community control portion of the sentence. IT serves little purpose. I paid girls that were admittedly time barred, Josefborg is representing an investor in Rothstein / Epstein fraud.adn wants over 2 million in fees. IT is normal state procedure. even federal probation allows travel with permission. (Karens furlough concept). If they terminate I would be able to defend myself, be rid of marie and the Office. I don't want the case in the new U.S. Attnys hands, advised by Karen Atkinson.
