Thank you.

Please let me think and I will let you know best time for me by Monday.

I think that it will be Friday afternoon - if it works for you.

Thanks for extending the invite for Sam. Melanie met him few times as well. As I always like that people know some background about each other, few words about Sam below.

He is much (10+) younger than me ;) . I met him when he was 23 or 24. He is a fashion designer and stylist. His fashion work is <http://www.samjaradeh.com/>
<<http://www.samjaradeh.com/>>

He will be very happy if you comment anything re his work.

We are totally different in some regards - but mixing is sometimes good to make things more interesting.

Sam is born and raised in NYC (between upper eastside and Brooklyn). He is from a hard core Sephardic Jewish family. His main goal is to have fun in life and he is working on that with a passion and vigor.

Not much into education, books and knowledge, but EXTREMELY street smart and excellent negotiator.

Looking forward to finally meeting you.

B

My appologies to you! I did not klnow. I was thinking that it is all over by now. And that changing scenery would be good for you. Art basel also attracts some talent as well ;)

I am really sorry - this sucks! You need to take care of that. At least you have a weapon and you must use it!

How long is your probation? As I would like to organize introduction to several people such as George Whitesides - usually it is better meeting them on their ground (at least this is what Bill always prefers for this type of meetings - can go into logic in more details when we speak).

(15) Please let me think - I am there for only three days and have several business meetings, a (a CAVD) conference and Art Basel events where I need to catch up with few friends as well. Also, my boyfriend Sam is there as it is his birthday. So it does not look good to leave for a half day when I am there only there days.

However, I will try my best as I would really like to meet you. Perhaps Saturday is the best as the conference ends on Friday.

I will be in Miami also December 26th to January 4th and it will be more time.

How did you like economic of prostitution?

Please for all other emails use my [REDACTED] email as it syncs with my phone.

This address I do not check that often.

All best

Boris
