I like this strategy and the team seems highly competent.

Still lots of homework to be done: want to know more about targets up for sale and any possible EU competition issues.

I discussed as general amount US\$ 100m investment.

I did not disclose your name - ie I said i can not disclose at this stage who I represent, however F or Geir will probably have done it.

Please see the attachments.

Want to discuss with you if i should proceed.

Hope you are well!
