Sweetheart I am so happy to hear from you! I am Ok ;-). Recently I've got a job. I work in a bank - VTB24 in a car loans department for 500\$ in a month - I am now very busy during a day, but I like it. I've started to attend yoga classes - love it!!! Want to take computer classes on Archicad - want to try to create models of country houses.

Miss you) Will you be able to come to Russia one day? I really think you will love it here. I hope you are well there. Could you give me an address so I could send you a Christmas present?

Miiiiiiiiisssssss you!!! Lots of kisses for you....
