No problem I was unaware you were seeing this house my apologies. You can see why I was being quiet and not telling you the address. I overheard Chris mention on the phone a house on the Ocean I thought this would be ideal for you. Toni said she was showing two people one group was a couple, the other person the attorney would not tell her. You asked if that were the house, I said I could not tell you, the list agent asked I not tell anyone.

I have never heard anything about Florida Homestead in my office ever? Sorry your annoyed I was just thinking of your best interest when I viewed the plans of the house. I went around today and viewed several properties that are not on the market if you're interested in others. My plan was not to annoy you by any means. My intention was to find you what you were looking for.
