In other words they indicate they might give us x\$ but after the DD it might get lower especially the European banks if they find that there is no uk bank lending they will reduce their numbers so we are really banking on EIB

Well we are under a lot of pressure from the contactors so for an announcement on Nov 23/24 it's important to wrap up everything by nov 7 the so far we only had indication from the banks on their willingness to fund us but

By the time they finish their DD their numbers might change

So what we want is for the banks to give us their final

Word on how much maximum they will give us and their conditions

We do not want to commit to the project without having the full financing signed up.

We want them to speed up if they want HH to do the ground breaking.

The target is Nov 7.
