Agree.

Appetizers are good but they can't replace a quality meal.

This is a reason that I did not call you so far. Wanted to have a block of uninterrupted time.

I have been traveling for the most of last few weeks and particularly last few days have been hectic.

Today and tomorrow I am DC, at meetings for a most of day and giving few talks. Later in day on Friday traveling to NYC.

The best time for me are today (Thursday) - any time between 7-9pm.

Friday early afternoon.

Saturday afternoon – any time between 2-6pm.

Let me know what works best for you.

Looking forward,

B
