Sprint internet is down at 71st street again and HBRK preventing all access to email. Most of my LSJ report is done, I just need to clean it up and have internet access so I can send it.

I would like to purchase a few routers and cable and dsl access for 301 and 71st. Routers with maintenance are about 1000 each. DSL and Cable should be about 25% the Sprint monthly recurring cost. I will try to get quotes from cdw today.

I want to get off the sprint network asap.
