Importance: Normal

Not sure what to suggest, I mean if they're not into her then nothing can change that, so I agree w you that it's not in anyone's best interest. She is going to see Elite today at 3:30, not sure if you have a relationship w Eddie Trump, I think they will probably take her anyway, but she could probably use a little push to be on the safe side.

Steven Meisel's office liked her, Patrick Demarchier didn't, and those were the only 2 appointments she went on (w top photographers). At first her booker told me he wasn't getting good responses on her, this was based on the meeting w Patrick, then Joel said she dissappears too much and he wanted to speak w her and see if she was serious about modeling, and then when they spoke he wrote to tell me that she has had too much plastic surgery. So I don't know the real reason, I think they were just so busy promoting their other girls so they didn't have time for [REDACTED]. She gave them 2 years of her career and they gave her 5 jobs.
