marty , at the present we can't depose brads clients. He claims his files have been sealed by the fbi... we have a no contact order which prevents us from getting the real story behind the testimony of [REDACTED] brad has convinced the judge that a no contact order was necessary though [REDACTED] at depo said it wasn't/ He has her hiding behind attorney client privilege . when asked questions about her agreements.. without going to the fbi, and asking them to question her. how can we engage her in conversation.its possible that they organized her claim, so that they could then sell the phony settlement. her testimony was wierd.
