Good morning Mark,

Great talk last night, I already have a request for more information. Would you tell me which information you would like me to pass on to those who request it? Email, phone, etc? Do you have your UCLA email yet?

Kristin

Good morning Mark,

Is it possible for us to start our meeting with Chris Cassidy at 6pm tonight? If so we would meet with her regarding PR at 6p and then meet with Kristen Madsen at 6:30pm. Please let me know if this is possible.

Thank you!

Kristin
