My last few days with family. Getting too much. Although I am glad to spend time with them, I am looking forward to my Saturday's departure.

Once again thank you for offering help in NYC.

I heard that tomorrow you are meeting close two friends of mine - Alice and Eli.

Alice is one of my closest friends and a business partner on some ventures (Alice and I are co-founder of IMDx). She is working as a CEO and Chairman, while I am not actively involved with the company anymore. Her father is a friend and a very interesting guy.

Somehow I think that he might be very (too) serious and rigid for you!

She is very flirty but perhaps too old for you ;)

If you have option keep a meeting with Eli on a shorter side and spend more time with Alice. It will be more fun.

Knowing you for a short time, I think that you would get a kick of analyzing her for a short period of time.

Hope you are having more fun than me these days!

Don't know if you heard that our friend [REDACTED] will officially carry a title of Her Grace starting tomorrow. The title comes with a major of Harare for a week. Thus from now refer to her as Your Grace,

I miss her a lot.

All best

Boris

Agree.

Appetizers are good but they can't replace a quality meal.

This is a reason that I did not call you so far. Wanted to have a block of uninterrupted time.

I have been traveling for the most of last few weeks and particularly last few days have been hectic.

Today and tomorrow I am DC, at meetings for a most of day and giving few talks. Later in day on Friday traveling to NYC.

The best time for me are today (Thursday) - any time between 7-9pm.

Friday early afternoon.

Saturday afternoon – any time between 2-6pm.

Let me know what works best for you.

Looking forward,

B
