Saw Harvey Weinstein's "Nine" last night. Loved it. A visual feast. All the girls give show stopping performances....Harvey called me for my reaction and when I told him I loved it he screamed at me, "It's not done. I will make it better!". He is going to have a stroke over this film.

Then went to Casa Lever, Aby Rosen renamed the restaurant and brought in Sant Ambreous food...went with Valentino and Giancarlo for Carlos Sousa's birthday...20 chic socials. I sat across from "V" and he is so charming. He told me he is a very fast skier (Gstaad) and wears a helmet. (Under all that sprayed hair). At lunch he sneaks into the men's room in the helmet, takes it off and rearranges his sweaty hair. (He has a do similar to the Donald.)

Then dropped Francesca and Alba Clemente off in the village and went to the Boom Boom Room. Oliver Stone was there at 1:00am after just finishing a 12 hour shoot on Wall Street 2. (Bryan Lord (CAA) and Calvin were looking around). Andre Balazs is a genius. The room looks like Windows of the World meets the Rainbow Room and it is packed with the most gorgeous chic young kids...upscale hip...Andre has created a social moment- it's a sanitised Studio 54.
You would love to take a look once.

Going to "Ragtime" tonight- Oliver said it's bad- so will take Vicky Ward and her husband Matther Doull (Conrad Black's nephew) to Wall Street 2 wrap party at Susan Sarandon's new ping pong parlor after first act.
To Jets game with the Hesses Sunday and we have an academy screening of "500 Days of Summer" Sunday night and dinner for 100 back at Casa Lever...Monday we have Bob Weinstein's "The Road"....

Felecia Taylor has finally bowed out of Kenya trip...her step father keeps falling down...she is such a mess...still crying about dead mom and I think Lou Shott's kids think she is a loser.
Saw Sir Evelyn de Rothschild at River House Wed night and indicated she has problems always picking the wrong man...now it's just drink.

I made plane reservations for Kenya- so trip all done..lv. Dec. 18.

Totally miss you. Hope you are well...xoxo Peg
