This completes phase one that transferred the island onto the wapa power in anticipation of the future generator installation in the mech Building as well as the distribution conduit and all the switch gear. The phase is complete per the contract. The final phase in the approved budget will include the transfer switch to connect the generators as back up to wappa. Gary.

Jeffrey,

I received an approval from Gary to pay \$ 200,123.20 to Michael Glidden for work completed.

Of the original budget of \$ 724,307.20 we have paid \$ 524,184 and this payment represents the balance due.

Please provide your approval to process this payment if you're ok with this.

Thank you
