I did 2 catalogues and I've got paid cash.
But the problem is that everywhere else in the world an agency offers accomodation in the models apartment. Here they had problems with the heating sitem in their apt so they asked all the models to find their own place through friends and that they'll advance 150£ a week, and they don't want to pay for my last to weeks even though I brought them an invoice from my landlord. All the time they found stupid excuses and now I was a bit angry coz I won't be here next week to be able to take care of this issue and that they should solve it today coz is not fair for my landlord that I leave without paying! This recession really affected all the agencieses...
So I'm waiting for them to give me a solution now.
I'll probably give them my landlord bank account, hopefully they'll pay...
But it really upset me this issue!
How hot is there? I guess I don't need a coat,right? :)

Great! I'll wait for her mail. Me too I'm glad, though I had a little fight with the agency here concerning money... But hopefully will be fine!
