Dear Jeffery,

Please find enclosed two flooring samples, the Fancelli proposal and the Meriguet proposal for your review. Both flooring options work beautifully with the paneling. Please have your preferred selection closely matched in both size of plank and finish. Please return the floor samples to my office within 10 days.

Should you require more information, feel free to contact me.

Regards,

J. P. Molyneux

Enclosures:

1. Fancelli proposal for additional work
2. Meriguet proposal for additional work
3. Two floor options
