Good morning. Or good evening.

We just woke up and are getting a quick bite to eat before we go on a morning hike from our hotel. Our hotel is SO SO AMAZING. The people are really nice. The culture is very cool. And the food is great and cheap (once you leave the hotel). We went to this place called the sacred monkey forest yesterday. There must have been five thousand monkeys. No joke. More than tourists. I bought some bananas to feed to them. Once we walked away from the banana vendor the monkeys came out of nowhere and ganged up on me to steal all the bananas. They were all climbing on me. Was very funny. Today we may go to the mountains and explore another part of Bali. All and all it's great here. We will be here for 3 more days. There is so much to see. Our seats on the flights have made the trip. I never knew you could take a 7 hour (or more) flight and feel refreshed after. It is beyond great! How is everything?
