well my skin is not good now...the first month and half is normal to have more than before because there is a cleaning in the body.. I saw another doctor here in Bucharest who gave me also some injections wich I have to do weekly during the roacutane treatment so the medicine wont affect the liver and the organism. I also spent much more money with all the blood hormonal tests I had to do coz they don't do them in Romania, they had to send the blood in Germany... Luckily soon I'll have a baby skin.
So regarding the apartment is still busy right? So I know for sure to ask the agency to book me an apartment.
Thanx,

Hello,
I forgot a few things in the apartment and I was wondering if Valdos is in Paris next week so I could meet him, or after coz I'll be there for 3 weeks.
And I know that in october-november will start the new season in miami for modeling. Maybe if you tell me is ok I'll come there. You will be still there or in NY?
