Yes. Sorry. It's been a parade of complexities that will make you laugh. Let's see. Spent weekend lining up balance of seedco and ended up 75% over subscribed. The bigger names were all agitated over allocation cutbacks. W/ the many stresses over seedco, the move (5 days til move-in day), one daughter's installation at harvard and the other's clandestine move to a boarding school on the west coast, I came down w/ a major gout attack sunday. Spent 36 hrs whimpering like a little girl. Still did the commute from li to nyc and back to li yesterday like a champ only to discover that today [REDACTED] mr mom cuz sandi has to go to manhattan for 48 hrs to coordinate final details on house etc. Never a dull moment. Calling you this am between 9:00 and 9:30.
