I am focused on what I call the North Island Master Plan which is an enlarged site plan of everything north of the helipad. It is in much more detail and includes practically everything that we have discussed. I should have it complete early next week and I will send it to you then for your review and comment. I had sent you a Hammam site plan last week so I need your comments back on it. I also have an alternative on the helipad/atv garage for your which I will send early next week. As Gary mentioned, it would be good if I come to the meeting on the 15th so that we could review everything in more detail.
