Dear Jeffrey,

I would like to explain my situation with the school.

You always were very generous with education for my children. I always appreciate your kindness and generosity.

I would like to explain the reason my kids are going to the RUSSIAN private school. The main reason is the school is for working parents. Bus pick up time is 7:30 AM and drop off at 5:30PM which gives me a chance to work full time. During the winter and spring recess school is open as Day care. Tuition for education is rather small compare to other private schools. Unfortunately it is not affordable for me with my household income. I have been exploring the Public school options which are presenting difficulties as school begins next week. Some of the obstacles I am facing includes making provisions for my kids after the school ends at 3PM.

For 10 years working for you I know you as the kindness person and I would like to ask you again to please reconsider your decision about my kid's education.

Thank you very much,
