Importance: Normal

Just finished meeting with Vladimir Zemtsov (not sure about spelling, will research him, not jewish) and the guy who runs his affairs (lawyer, belgian, jewish).

He seems substantial, pragmatic, and for russian standards discreet. He is thinking of investing/buying Cipriani in NYC.

On F:

He is willing to evaluate. He wants the potential projects outsourced or managed by a professional firm (ie branding, merchandise) and claims to possibly be prepared a) to pay for such business costs and b) pay off the debt if the hired professional firm believes that the revenue side is more than the debt.

He will have dinner with F on 16 or 17 Sept in NYC to discuss further.

She actually just called me and asked me to join her at a meeting today with Vladimir (she didn't know the family name but says he is a Russian billionaire).

She thinks he will finance everything in case you will not.

You want me to go this meeting ? (I would need to reschedule port visit to next week).
