My dear Jeffrey I was thinking about you all day! I am already in [REDACTED] I am here only a second day.today i had a first classes...I experienced a new kind of dance, it calls contact..so weird...i had to touch my partner, first to smell his skin, then to feel his body and finally to rub into his body!so weird...Very sad news that there is no normal man here, only gays...but i love the atmosphere here. [REDACTED] is located in the very beautiful area...but ,there is one but...the room i am staying in incredibly awful...there is no toilet,we all the students share the same kitchen and toilet... the shower is extremely small and uncomfortable...there is only one electricity plug in my room...after that experience i am looking for better accommodation...but now is too difficult to find something for a good prices. everything except my accommodation is quite good!of courses is very expensive city...i have to count all the money i am spending...however i am fully enjoying my studies, my [REDACTED] breakfast, my walking around the city, new people and so on...

I've add a few pictures for you to view.

P.S. i have sold out almost all clothes I got! i have still few left but my mum works on that!
