Importance: High

Dear Lesley ,please have e this printed for JEE

Dear Jeffery
Please find the most recent deck on Fred Leighton

I believe we are going to be able to buy it below \$28 million and the cost value of the inventory is in the mid 40s(5 years of store inventory) retail over \$150 million . It has languished in a bankruptcy for 18 months and still doing about \$15 million . I believe I can get this moving in the right direction and create a great business which can be expanded

Please look at the Power point and give me your thoughts

Thank you so much
Shana Tova !!!!
David
