Sultan

Timing on this looks good. Would be broadcast in the US and could do much to reassure financial markets about Dubai's health. Shall I set it up?

Regards
S

Sarah,

Long time, no talk. I wanted to let you know that Erin Burnett is headed back to Dubai on October 3rd to tape some tape pieces for a global show on Oct. 9th and Oct. 10th.

As we continue to focus in on Dubai we would love to interview Sultan Bin Sulayem sometime this October to discuss the latest with Dubai World and Dubai property including The World. We could do this remote from Dubai (either CNBC Dubai or Dubai Merc) or as in person interview depending on Sultan's schedule.

Please let us know if he is available and would want to talk to Erin.

Looking forward to talking to you. Feel free to contact me below and please note the new cell phone number.

Thank you,

Robert Hand
