Really, what deal have I chosen to ignore. Make that clear - what exactly are you trying to say? You are going to tell me [REDACTED] is going home and then keep her or promise to have a child with me and then refuse to have sex because you are irritated about 5 different errands that didn't get done. That seems fair to you? The only deal I made was to exercise and I kept it. You on the other hand reduced your 3 days to 2.

buying fish is just one thing out of a large group , it will not work to try to slice this into silliness.. if you read your emails i have already made the analogy to an irritated nipple.. I love you,, You expect no consequences,, from not living up to your obligations sorry , but as you have chosen to ignore our deal, you no longer have a right to expect that I will continue to operate as if you had .

Just like this may sound petty to you, buying fish sounds petty to me

She was supposed to leave yesterday as you told me! I asked the doorman last night if she came back here. You didn't tell me she stayed with you until this morning. Instead you 'went to sleep at 8.30' and didn't even call to say goodnight - Why, because you were worried I might have already figured out that you had misled me

WHAT!?! You broke the deal. [REDACTED] was supposed to leave yesterday. That was clear and you know I would have rescheduled my trip. THIS is bullshit ! How can you do this AGAIN and especially with [REDACTED] involved. YESTERDAY, [REDACTED] should have prepared food and left at 4.30, not 'while I am gone'. I am so dissappointed and angry I can not talk to you on the phone now.

You said not not have [REDACTED] buy fish because you would have [REDACTED] do it.
I know whole foods has flowers, I told you 5 times but you said I must be fucking stupid to buy FLOWERS from whole foods.
