Jeffrey
Should I respond to this.
Harry

Please send me your numbers in preparation for my call with jeffrey. please include total fee paid to me, which you said was 30k plus more than my figure. Also total hours you say I billed (which you said was 60+ less than my figure. I told jeffrey the difference between our figures was "relatively small". You apparently said the opposite. Let's see the precise numbers so jeffrey can decide . Thanks
