I spoke to Paul Frieberger last night. He said he would email me some samples. This morning I received an email from him asking if it would be ok to send me a package. Can I give him mailing address? If so, what address? I have not been able to reach Paul Fisher but I am still trying.
I emailed Alan regarding the scented plants. No response yet. I will follow up with him.

Do you like any of the plants Alan left by the troubled area?
