I am. This is all your idea. I am here because you wanted me to leave not because I wanted to 'have a good time'. I think this is a bad idea but i left because thats what you wanted. First you said you wanted to be alone, then it changed to [REDACTED] for the weekend, then [REDACTED] then [REDACTED], then you suggest they stay at the house, then you ask [REDACTED] to come on saturday without telling me and now you say i need to think about my reaction... funny

when I asked about [REDACTED] what did you think about,, making my life nicer. ? no, it wasn;t - "let me check, i'll see what i can do " would have been nice,. i would like you to really think about your reaction. cmpare it to my reaction when you tell me your instructor changed his mind at the last moment. I did everything i could to see you had a good time
