Dear Jeffrey,

As briefly discussed, attached is Max's transcript and resume information.

Please note that he has not formally applied as of yet.

I can not speak highly enough about this kid. He is very intelligent, disciplined, well rounded, mature, honest, modest....I could go on with a hundred adjectives to describe him,

but long story short - Max is an exceptional young man who has a very bright future ahead of him. Max is an absolute winner. Max is Harvard material.

Please review the enclosed information and let me know what you think or if you need any additional information?

Thanks you for any help, guidance or assistance you may be able to offer as it will be very much appreciated by this promising star of tomorrow.

Eric
