Today and tomorrow I am in Berlin to finalise the process of the Joint Venture with Siemens for my Chinese healthcare data project. They need to provide US\$10m cash and approx. US\$10m in kind. By Feb 2010 my job is done (either yes or dead).

As idea:

kicking off in Feb I operate your private investment office in London working on deals for you of the Deyan type.

As discussed, some link to JPM would be excellent for European and esp. Chinese credibility.

Therefore, maybe just using their offices (and address) in London would be good enough as it shows the link and proves the statement "FT (or JEDS), the private investment arm of JPM" ?

However, the more JPM resources we may be able to use, the better of course....
