nothing much.....except knowing people very well...specially girls/women... I have to admit that with man I'm still very bad :(
i'm not taking vacation..just 1 week for Christmas.
I'm sure that whatever I'll start doing after I'll do my best and will be the best in that domain... since I couldn't do it in modeling.
I need to succeed...to be the best!
kisses

tell me what important thing you have learned that will make a difference to your life, while you "spend" time in paris or london.. you are too smart.. you haven't met quality people , or learned new life long skills.. vacation time is reserved for two months in summer.
