Who is [REDACTED]? I won't even try to understand you Jeffrey! :) I spoke w Regina's boyfriend to see if he and Regina as a favor to me could take [REDACTED] for dinner or something and he said it should be ok...Sorry about "the boyfriend", but that was the only way, if I asked Regina to do it alone she would not have agreed, she's young (19) and a bit fiesty. So if [REDACTED] and Regina ever a get a moment alone together - or even if they are just hitting it off and the bf is there - she can ask for Regina's contact info and befriend her. Regina will do anything to get ahead in her modeling career so don't let the bf discourage you, I just can't ask her directly because I know she wouldn't go for it (she's kind of bitchy w other girls).

Marta is moving out of her apt in NY, can't afford to live there anymore. I would have liked for you to see her, she's 23 but oozes sex. If you're taste is anything like mine you will want to tear her clothes off the minute you see her. I was thinking maybe having a place for her to stay during her trips to NY would be a good angle since she won't have an apt anymore. She leaves town on Sat. I think, but if she is staying for longer I'll let you know. They recently cut her hair very short and dyed it black, but it's the body on this girl that will blow you away, 5'11 and truly a genetic masterpiece.

Julia is also 23, very hot blonde, we could set up a "casting" of some sort. I know her the least of all the girls so maybe that would be the best way to play it. I know 23 is on the old side for you, but I think they're both worth meeting for different reasons. Julia is blonde arm candy (not sure if she has a bf) and Marta is a business-minded sex machine.

If you're ok w the Regina plan let me know how Mark can get a hold of [REDACTED], or she can call him directly ([REDACTED], make sure she mentions my name). As of yesterday he was saying yes but he hadn't asked Regina, so I'll let you know if anything changes.
