Hi Sultan,

How are you doing? I hope this email finds you well.

I'm sending you this email to notify you of the upcoming publication of my autobiography. In brief, the book will contain factual information, and it is important for you to understand that the manuscript (which is currently being edited by the publisher) does in fact profile our previous relationship (yours and mine) from the year 1991 - forward... (e.g. nearly 1/2 of the entire book). It is also important for you to understand that it is a detailed writing about my life, the people I have encountered, and the obstacles that I have faced, as well as detailed backgrounds, quotes, and profiles of those who have impacted my life the most (for better/worse) during the last thirty years. In summary; I suppose one could call it a "tell all" book which will include numerous photographs of people who I have known very well throughout my adult life.

Please consider yourself notified.

Best regards,
Debbie Sheridan
