[REDACTED] was the other girl, but she is always around. I don't have as much flexibility w her, it's more a business relationship, so it would be hard to get her to come down to Miami. But when you are in NY we could def. set something up, a "casting" or something [REDACTED] was the other girl. She would meet w [REDACTED] but she would bring her boyfriend along. He's a Russian guy and he's always w her, even to Milan and Paris shows. But they fight occassionally and don't talk for a few days, so maybe [REDACTED] could meet them and get [REDACTED] contact and next time the bf isn't around I could let you know.

[REDACTED] was really the one I wanted you to meet, had her in mind while you were away as sort of a coming out gift. Her body (5'11) is amazing and her eye color is a shade of [REDACTED] I have never seen before. She's got something about her, very refined looking, more La Perla than VS. Her hair is darker now, but here are some body shots to give you an idea. The girl is gorgeous, I was blown away the first time I met her in person, wanted to tear her clothes off immediately. I really want you to meet her and now she is saying she wants to meet you, so it would be a shame if you didn't see her before she leaves the country.

So [REDACTED] and [REDACTED] met yesterday, apparently they hit it off. [REDACTED] said all good things about you and Marta wants to meet you now, much easier than I thought it would be :) Only problem is that she leaves for Moscwo in a few days...
