Dear Jeff-

Interesting! Lets continue with ideas (though I'm a little swamped these next few days with a series of proposals that I'm trying to get funded- I will be back on line in a few days).

Can't wait,

Best,

b.

I m thinking whether it makes sense for you to set up your own offshore entity that receives its fees from the fund. It could pay you. , as the recepeint of the funds from the trust would be the corp it might alleviate you having to be anywhere more than 180 days. There are many variations of this idea.
