Air con done and working - room dropped by 3 degrees! Goes down to 17 now - brrr. If other one is broken will hold room at 19 - will keep a steady 18. The painting etc it going to take another 10 days 2 weeks.. They are painting the unit and putting back loo ceiling. So much for not being able to do anything to make it colder! + told valdson re no food for guest
Am now in Turamotu's at the island for the movie 6 days 7 nights w/harrison ford..it is deserted - a small nub of a place but the only island in this chain w/any elevation. All the rest are just atolls
Friends arrive tom
Kisses
