Will cut and past question like it came from me...ha.

On the way to Club 55 for the last time. The richest lady in Turkey is hosting 30 YENTAS at lunch now....Denise is so in her element. Star Jones in a tiger print bikini and covered in gold. An African sight to behold. Will take photos and Marjorie will show me how to email you later.

Saw Ivana Trump last night...she is a shell of the gal she was from all the booze. Very sad. Barely recognizes her friends. Joan Collins holding court. Have to schlepp to her mountain top cabin for cocktails tonight. Got out of dinner.

Leave in the morning...still yukking it up..more to come.

Tony Murray's (pronounced Moore Ray) party last night- 12 midnight- 50 gorgeous models showed up after the fireworks...where do they find them all?
